The teleworker must verify that the telework location provides work space that is free of safety and fire hazards.

3.13 The teleworker will be in pay status during scheduled work hours at the approved telework location. Overtime hours must be approved in advance and the teleworker will be compensated in accordance with applicable law and rules. The teleworker agrees that failing to obtain proper approval for overtime work may result in removal from the Telework Program and/or other disciplinary action.

3.14 The teleworker and the supervisor shall discuss and impose mandatory safeguards that shall be taken by the teleworker to ensure protection of Department documents and records from unauthorized disclosure or damage. All records, papers and correspondence must be safeguarded and immediately returned to the work unit by the teleworker upon request, upon termination of the Telework Agreement, if the employee changes positions, or separates from the Department.

4. PROGRAM APPROVAL PROCESS

4.1 Employees requesting to telework shall complete and sign Form No. 250-000-07, Telework Agreement. The employee’s request must be approved and the completed form signed by the employee’s immediate supervisor, Cost Center Manager, the District IT Services Manager, and the Secretary, Assistant Secretary, District Secretary, Executive Director, Director, or designee. Assistant Secretaries, District Secretaries, or Executive Directors may delegate this authority in writing to another Senior Management Service (SMS) employee. Managers may also require additional reviews within their areas before submitting the completed form for approval. Additional comments or reasons for disapproval shall be noted in the space provided below the form’s signature block. The fully executed form shall be submitted to the Human Resources Office (HRO) for final processing and approval.

4.2 Upon receipt of the fully executed form, the HRO Director or designee will sign the Telework Agreement form. The original form shall be retained in the employee’s official personnel file. Copies will be sent to the employee and the employee’s immediate supervisor.
4.3 If a request is disapproved for any reason, HRO shall return the original request to the employee’s immediate supervisor, and provide a copy to the employee. HRO shall also maintain a copy for monitoring and reporting reasons.

5. SCHEDULES AND WORK ASSIGNMENTS

5.1 A teleworker may telecommute for a maximum of 32 hours in any workweek with a minimum of eight (8) hours at the official office location unless an exception is granted, in writing, by the HRO Director. Non-standard workweek schedules also require written approval by the HRO Director.

5.2 The Work Hours and Location section of the Telework Agreement must be completed indicating the official work location, telework location, and the agreed upon work hours in both locations.

5.3 Significant or long-term changes to the agreed upon telework schedule must be documented with an updated Telework Agreement which must be signed, approved, and processed in the same manner as an original request.

5.4 A teleworker may be called into the official work location by the employee’s immediate supervisor at any time in order to meet work unit or agency needs. Travel for reporting to the official work location is not considered work time nor is the teleworker in travel status.

5.5 The Work Plan section of the Telework Agreement must be completed to document the employee’s general work duties and to develop monitoring and supervision plans. Immediate supervisors are to meet regularly with teleworkers to discuss specific work assignments, due dates, productivity expectations, and to review completed work. Such meetings should be held during the teleworker’s scheduled time in the official work location. Immediate supervisors may assign new work tasks or review progress status by email or telephone as needed. Immediate supervisors are expected to monitor work performance and productivity just as they would in a traditional work environment. Teleworkers are expected to meet or exceed performance and productivity standards while participating in the Telework Program. Failure to do so shall result in revocation of the teleworker’s participation in the Telework Program.

6. PROGRAM COORDINATION, DOCUMENTATION, AND REPORTING

The Human Resources Office (HRO) is responsible for the overall coordination of the Department’s statewide Telework Program. Telework Agreements and related correspondence or documents shall be maintained in the teleworker’s official personnel file. HRO shall maintain a list of current and former teleworkers, copies of all approved or disapproved requests, and report program results as required by Section 110.171, F.S.
